25 YEARS OF IMPACT, ONE STEP AT A TIME

This year's MK5K was more than a walk – it was a celebration of 25 incredible years of the Mary Kay Ash Charitable Foundation and the meaningful difference it continues to make in the lives of women and children.

From our gathering at Meadowvale Conservation Area in Mississauga, Ontario, to walks happening across Canada, the spirit of connection and giving was truly felt nationwide. Dedicated sales force members brought the MK5K to their own communities, walking alongside family and friends, and turning the event into a country-wide celebration of impact.

A very special thank you to our incredible Walk Champions for helping make this year's MK5K such a memorable milestone. Your enthusiasm, encouragement, and dedication helped spread the word and bring communities together.

And to everyone who participated, donated, shared the event and helped make the MK5K possible – thank you! Your support makes an incredible difference.

WE DID IT!

We are proud to announce that with your support, we surpassed our 2026 fundraising goal of **$40,000**! Together, these funds will help the Foundation continue supporting initiatives that make a meaningful difference for women and children in need across Canada.
