**ORDER OF APPLICATION:**

**TIMEWISE® REPAIR VOLU-FILL® DEEP WRINKLE**

The following is the proper order of application when using TimeWise Repair® Volu-Fill® Deep Wrinkle Filler in conjunction with the TimeWise® Miracle Set 3D™ and TimeWise Repair® Set.

**WHAT IS THE ORDER OF APPLICATION WITH MY TIMEWISE® MIRACLE SET® SKIN CARE ROUTINE?**

If a TimeWise® Miracle Set 3D™ customer wants to use the TimeWise Repair® Volu-Fill® Deep Wrinkle Filler, the recommended order of application is slightly different from the user who uses the TimeWise Repair® skincare line (see the order of application below).

*Application instructions:* Apply directly to wrinkles and gently pat in place with fingertips. Wait a few minutes before applying moisturizer.

For AM, when using the TimeWise Repair® Volu-Fill® Deep Wrinkle Filler, follow with a sunscreen product, such as the TimeWise® Age Minimize 3D™ Day Cream SPF 30\* AFTER the Wrinkle Filler.

*While daily and effective sun protection is an essential part of any skin care program, it is especially important when using a product that contains retinol.*
